

# Elevate Your Claim Experience

## Manage your claim from anywhere with MyBenefits

MyBenefits is a next-generation portal that allows you to easily manage your leave and disability claim from your mobile device. You'll get an enhanced view of your claim status, coverages and much more. It's simply a faster and more convenient way to file and view claims status online. With MyBenefits, you're in total control any time, any day.

### With MyBenefits you can easily:

---

- Request a claim extension
- Review claim status and leave balances
- View payment details on approved claims
- See estimated future payments on approved claims\*
- Sign up for direct deposit
- Review claim process timeline
- Sign up for email and text alerts
- View claim letters
- Download, e-sign and upload forms and claim documents
- Confirm important dates such as last day worked, surgery, delivery and return-to-work dates.
- Chat FAQ and live chat during business hours

**We're excited to help you streamline your claims experience with MyBenefits.**
