**STATE OF ILLINOIS**  
**The Religious Freedom Protection and Civil Union Act**  
**Effective June 1, 2011**

The Religious Freedom Protection and Civil Union Act (“the Act”) creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms “spouse,” “family,” “immediate family,” “dependent,” “next of kin,” and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms “marriage” or “married,” or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance’s website at [www.insurance.illinois.gov](http://www.insurance.illinois.gov).

- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

**CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE**

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

## PERIOD OF COVERAGE

### **Effective Date:** *When does my coverage start?*

Your coverage will start on the earliest of:

- 1) the date You become eligible, if You enroll or have enrolled by then;
- 2) the date on which You enroll, if You do so within 90 days after the date You are eligible;
- 3) the date We approve Your Evidence of Insurability, for benefit amounts requiring Evidence of Insurability; or
- 4) the first day of the month following the Annual Enrollment Period if You enroll, for benefit amounts not requiring Evidence of Insurability, during an Annual Enrollment Period.

### **Deferred Effective Date:** *When will my effective date for coverage or a change in my coverage be deferred?*

If You are absent from work due to:

- 1) accidental bodily injury;
- 2) Sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy;

on the date Your insurance, or increase in coverage, would otherwise have become effective, Your insurance, or increase in coverage will not become effective until You are Actively at Work one full day.

### **Changes in Coverage:** *Can I change my benefit options?*

You may change Your benefit option only:

- 1) during an Annual Enrollment Period; or

Any such increase in coverage is subject to the Deferred Effective Date.

### *Do coverage amounts change if there is a change in my class or my rate of pay?*

Your coverage may increase or decrease on the date there is a change in Your class or Pre-disability Earnings. However, no increase in coverage will be effective unless on that date You:

- 1) are an Active Employee; and
- 2) are not absent from work due to being Disabled. If You were so absent from work, the effective date of such increase will be deferred until You are Actively at Work for one full day.

No change in Your Pre-disability Earnings will become effective until the date We receive notice of the change.

### *What happens if the Employer changes The Policy?*

Any increase or decrease in coverage because of a change in The Policy will become effective on the date of the change, subject to the Deferred Effective Date provision.

### **Continuity From A Prior Policy:** *Is there continuity of coverage from a Prior Policy?*

- 3) terminates if:
  - a) The Policy terminates; or
  - b) coverage for Your class terminates.

**Layoff:** If You are temporarily laid off by the Employer due to lack of work, Your coverage may be continued for 12 month(s) after the month in which the layoff commenced. If the layoff becomes permanent, this continuation will cease immediately.

If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

If You are Disabled and You cease to be an Active Employee, Your insurance will be continued:

- 1) while You remain Disabled; and
- 2) until the end of the period for which You are entitled to receive short term Disability Benefits;

provided premiums for Your coverage continued to be paid.

After short term Disability Benefit payments have ceased, Your insurance will be reinstated, provided:

If, while covered under this Benefit, You:

If, while covered under this benefit, You are Disabled and Working, as defined, We will pay You a Weekly Benefit.

Current Weekly Earnings will not be used to reduce Your Weekly Benefit. However, if the sum of Your Weekly Benefit and Your Current Weekly Earnings exceeds 100% of Your Pre-disability Earnings, We will reduce Your Weekly Benefit by the amount of the excess.

Days which You are Disabled and Working may be used to satisfy the Benefits Commence period.

### **Partial Week Payment:** *How is a benefit calculated for a period of less than a week?*

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 31 consecutive calendar days of the return to work;

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

**Period of Disability** means a continuous length of time during which You are Disabled under The Policy.

- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits;
- 8) the date Your Current Weekly Earnings are equal to or greater than 80% of Your Pre-disability Earnings if You are receiving benefits for being Disabled from Your Occupation; or
- 9) the date no further benefits are payable under any provision in The Policy that limits benefit duration.

## EXCLUSIONS AND LIMITATIONS

### **Exclusions:** *What Disabilities are not covered?*

The Policy does not cover, and We will not pay a benefit for, any Disability:

Any such interview, meeting or examination will be:

**Sending Proof of Loss:** *When must Proof of Loss be given?*

Written Proof of Loss must be sent to Us within 90 days following the completion of the Benefits Commence period. If proof is not given by the time it is due, it will not affect the claim if:

- 3) not later than 1 year after it is due, unless You are not legally competent.

We may request Proof of Loss throughout Your Disability, as reasonably required. In such cases, We must receive the proof within 30 day(s) of the request.

**Claim Payment:** *When are benefit payments issued?*

When We determine that You;

- 1) are Disabled; and
- 2) eligible to receive benefits;

We will pay accrued benefits at the end of each week that You are Disabled. We may, at Our option, make an advance benefit payment based on Our estimated duration of Your Disability. Benefits may be subject to interest payments as required by applicable law.

**Claims to be Paid:** *To whom will benefits for my claim be paid?*

All payments are payable to You. Any payments owed at Your death may be paid to Your estate. If any payment is owed to:

- 1) Your estate;
- 2) a person who is a minor; or

then We may pay up to \$1,000 to a person who is Related to You and who is entitled to it. Any such payment shall fulfill Our responsibility for the amount paid.

**Claim Denial:** *What notification will I receive if my claim is denied?*

If a claim for benefits is wholly or partly denied, You will be furnished with written notification of the decision. This written notification will:

- 1) give the specific reason(s) for the denial;

- 3) provide a description of any additional information necessary to perfect a claim and an explanation of why it is necessary; and
- 4) provide an explanation of the review procedure.

**Claim Appeal:** *What recourse do I have if my claim is denied?*

On any claim, You or Your representative may appeal to Us for a full and fair review. To do so, You:

- 1) must request a review upon written application within:
  - a) 180 days of receipt of claim denial if the claim requires Us to make a determination of disability; or
  - b) 60 days of receipt of claim denial if the claim does not require Us to make a determination of disability; and
- 2) may request copies of all documents, records, and other information relevant to Your claim; and
- 3) may submit written comments, documents, records and other information relating to Your claim.

We will respond to You in writing with Our final decision on the claim.

**Social Security:** *When must I apply for Social Security Benefits?*

You must apply for Social Security disability benefits when the length of Your Disability meets the minimum duration required to apply for such benefits. You must apply within 45 days from the date of Our request. If the Social Security Administration denies Your eligibility for benefits, You will be required:

- 1) to follow the process established by the Social Security Administration to reconsider the denial; and
- 2) if denied again, to request a hearing before an Administrative Law Judge of the Office of Hearing and Appeals.

**Plan Offered by a State or Municipal Government:** *When must I apply for benefits under a plan offered by a state or municipal government?*

You must apply for disability benefits under a plan offered by a state or municipal government, such as those offered by a public employee retirement system or state teacher retirement system, when the length of Your Disability meets the minimum duration required to apply for such benefits and You are eligible under the plan. You must apply within 45 days from the date of Our request. If the administrator of that alternative plan denies Your eligibility for benefits, You will be required to follow the process established by the administrator to reconsider the denial.

**Benefit Estimates:** *How does the Company estimate Disability benefits under the United States Social Security Act or an alternative plan offered by a state or municipal government?*

We reserve the right to reduce Your Weekly Benefit by estimating the Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government, that You or Your spouse and children may be eligible to receive.

When We determine that You or Your dependent may be eligible for benefits, We may estimate the amount of these benefits. We may reduce Your Weekly Benefit by the estimated amount.

Your Weekly Benefit will not be reduced by estimated Social Security disability benefits nor disability benefits under an alternative plan offered by a state or municipal government if:

- 1) You apply for Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government if applicable, and pursue all required appeals in accordance with the Social Security and Plan Offered by a State or Municipal Government provisions; and
- 2) You have signed a form authorizing the Social Security Administration, or the administrator of the alternative plan offered by a state or municipal government if applicable, to release information about awards directly to Us; and
- 3) You have signed and returned Our reimbursement agreement, which confirms that You agree to repay all overpayments.

If We have reduced Your Weekly Benefit by an estimated amount and:

- 1) You or Your dependent are later awarded Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government, We will adjust Your Weekly Benefit when We receive proof of the amount awarded, and determine if it was higher or lower than Our estimate; or
- 2) Your application for Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government, has been denied, We will adjust Your Weekly Benefit when You provide Us proof of final denial from which You cannot appeal from an Administrative Law Judge of the Office of Hearing and Appeals, or similar level under an alternative plan offered by a state or municipal government when available.

If Your Social Security benefits or disability benefits under an alternative plan offered by a state or municipal government were lower than We estimated, and We owe You a refund, We will make such refund in a lump sum. If Your Social Security benefits or disability benefits under an alternative plan offered by a state or municipal government were higher than We estimated, and if Your Weekly Benefit has been overpaid, You must make a lump sum refund to Us equal to all overpayments, in accordance with the Overpayment Recovery provision.

**Overpayment:** *When does an overpayment occur?*

An overpayment occurs:

- 1) when We determine that the total amount We have paid in benefits is more than the amount that was due to You under The Policy; or
- 2) when payment is made by Us that should have been made under another group policy.

This includes, but is not limited to, overpayments resulting from:

- 1) retroactive awards received from sources listed in the Other Income Benefits definition;
- 2) failure to report, or late notification to Us of any Other Income Benefit(s) or earned income;
- 3) misstatement;
- 4) fraud; or
- 5) any error We may make.

**Overpayment Recovery:** *How does the Company exercise the right to recover overpayments?*

We have the right to recover from You any amount that We determine to be an overpayment. Such amount will not include payment from settlements that are unrelated to lost income. You have the obligation to refund to Us any such amount. Our rights and Your obligations in this regard may also be set forth in the reimbursement agreement You will be required to sign when You become eligible for benefits under The Policy.

If benefits are overpaid on any claim, You must reimburse Us within 30 days.

If reimbursement is not made in a timely manner, We have the right to:

- 1) recover such overpayments from:
  - a) You;
  - b) any other organization;
  - c) any other insurance company;

**The Religious Freedom Protection and Civil Union Act**  
**Effective June 1, 2011**

The Religious Freedom Protection and Civil Union Act (“the Act”) creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms “spouse,” “family,” “immediate family,” “dependent,” “next of kin,” and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms “marriage” or “married,” or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

## Utah:

1. If the **Sending Proof of Loss** provision provides a timeframe in which proof must be submitted before it affects Your claim, this time limitation shall not apply to You.

## Vermont:

1. The following requirement applies:

**Purpose:** Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

**Definitions, Terms, Conditions and Provisions:** The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements are hereby superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

## **CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE**

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a

private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

2. Vermont Mental Health and Substance Abuse Exclusion and Limitation Parity:  
If You become Disabled as a legal resident of Vermont and The Policy covers 25 or more legal residents of Vermont, the following applies:
  - a. Disability due to Mental Illness or Substance Abuse may not be excluded from coverage; and
  - b. the Maximum Duration of Benefits for Disability due to Mental Illness or Substance Abuse may not be limited. The Maximum Duration of Benefits shown in the Schedule of Insurance shall apply to You.

## **IMPORTANT NOTICE CALCULATION OF BENEFIT INFORMATION**

**Your group disability Policy contains an offset in the calculation of Your benefit. The offset may reduce the payment of Disability Benefits under the Policy based on other income You are entitled to receive from other sources as a result of Your Disability. Your group Disability Policy may also include an offset for the payment of Disability Benefits under the Policy based on other income Your family is entitled to receive from other sources as a result of Your Disability; please refer to Your certificate for full details on offsets under the Definition of Other Income Benefits. It includes any disability benefits under:**

- 1) the United States Social Security Act or alternative plan offered by a state or municipal government;**
- 2) the Railroad Retirement Act;**
- 3) the Canada Pension Plan, the Canada Old Age Security Act, the Quebec Pension Plan or any provincial pension or disability plan; or**
- 4) similar plan or act.**

**Additional plans or programs that provide a benefit to You and are considered an offset are:**

- 1) temporary, permanent disability, or impairment benefits under a Worker's Compensation Law, the Jones Act, occupational disease law, similar law or substitutes or exchange for such benefits;**
- 2) governmental law or program that provides disability or unemployment benefits as a result of Your job with the Employer;**
- 3) plan or arrangement of coverage which is received from the Employer as a result of employment by or association with the Employer or which is the result of membership in or association with any group, association, union or other organization; or**

**4) mandatory “no fault” automobile insurance plan.**

**Your Policy may contain additional offsets, please refer to Your certificate for full details on offsets, under the Definition of Other Income Benefits.**

**Your group Disability benefits are:**

**66 2/3% of Your Pre-disability Earnings with a Maximum Monthly Benefit of \$15,000.00.**

**Your Policy may have a reduction in monthly benefits after a certain time period. Please refer to Your certificate for full details on Your Benefit Percentage and any reductions, under the Schedule of Insurance.**

**Example of long-term Disability Benefit:**

**Your Pre-disability Earnings are \$2,000.00 per month and You are currently Disabled. Your group Disability Benefit Percent of Your Pre-disability Earnings is 50% with a Maximum Monthly Benefit of \$3,000.00. You are also receiving Social Security disability income of \$500.00 per month. The calculation of Your Benefit will be as follows:**

$$\mathbf{\$2,000.00 \times 50\% = \$1,000.00 - \$500.00 = \$500.00}$$

**Your net monthly group Disability Benefit is \$500.00.**

**If You would like a group disability policy which does not have other offset provisions, please contact an insurance agent or insurance company to purchase an individual policy.**

## **PERIOD OF COVERAGE**

**Effective Date:** *When does my coverage start?*

Your coverage will start on the earliest of:

- 1) the date You become eligible, if You enroll or have enrolled by then;
- 2) the date on which You enroll, if You do so within 90 days after the date You are eligible;
- 3) the date We approve Your Evidence of Insurability, for benefit amounts requiring Evidence of Insurability; or
- 4) the first day of the month following the Annual Enrollment Period if You enroll, for benefit amounts not requiring Evidence of Insurability, during an Annual Enrollment Period.

**Deferred Effective Date:** *When will my effective date for coverage or a change in my coverage be deferred?*

If You are absent from work due to:

- 1) accidental bodily injury;

You may change Your benefit option only:

- 1) during an Annual Enrollment Period; or
- 2) within 90 days of a Change in Family Status.

- 1) are an Active Employee; and
- 2) are not absent from work due to being Disabled. If You were so absent from work, the effective date of such increase will be deferred until You are Actively at Work for one full day.

If You become insured under The Policy on the Policy Effective Date and were covered under the Prior Policy on the day before the Policy Effective Date, the Pre-existing Conditions Limitation will end on the earliest of:

- 1) the Policy Effective Date, if Your coverage for the Disability was not limited by a pre-existing condition restriction under the Prior Policy; or

- 1) the Monthly Benefit which was paid by the Prior Policy; or
- 2) the Monthly Benefit provided by The Policy.

*Do I have to satisfy an Elimination Period under The Policy if I was Disabled under the Prior Policy?*

If You received monthly benefits for disability under the Prior Policy, and You returned to work as a Full-time Active Employee before the Policy Effective Date, then, if within 6 months of Your return to work:

- 1) You have a recurrence of the same disability while covered under The Policy; and
- 2) there are no benefits available for the recurrence under the Prior Policy;

the Elimination Period, which would otherwise apply, will be waived if the recurrence would have been covered without any further elimination period under the Prior Policy.

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium by the Employer; and
- 3) terminates if:
  - a) The Policy terminates; or
  - b) coverage for Your class terminates.

In any event, Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before Your coverage was continued. Coverage may be continued in accordance with the above restrictions and as described below:

**Layoff:** If You are temporarily laid off by the Employer due to lack of work, Your coverage may be continued for 12 month(s) after the month in which the layoff commenced. If the layoff becomes permanent, this continuation will cease immediately.

**Furlough:** If You are not Actively at Work as the result of a work furlough, Your coverage may be continued for 12 months as determined by the Employer and Us. If the furlough ends, this continuation will cease immediately.

**Military Leave of Absence:** If You enter active military service and are granted a military leave of absence in writing, Your coverage may be continued for up to 12 week(s). If the leave ends prior to the agreed upon date, this continuation will cease immediately.

**Continuation During Workers' Compensation:** If Your Employer is not governed by ERISA and You receive compensation under the Connecticut Workers' Compensation Chapter of the Connecticut General Statutes, Your coverage will be continued until the earliest of:

- 1) the date Your Workers' Compensation terminates; or
- 2) the date the Policy terminates.

**Family and Medical Leave:** If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

**Coverage while Disabled:** *Does my insurance continue while I am Disabled and no longer an Active Employee?*

If You are Disabled and You cease to be an Active Employee, Your insurance will be continued:

- 1) during the Elimination Period while You remain Disabled by the same Disability; and
- 2) after the Elimination Period for as long as You are entitled to benefits under The Policy.

**Waiver of Premium:** *Am I required to pay premiums while I am Disabled?*

No premium will be due for You:

- 1) after the Elimination Period; and
- 2) for as long as benefits are payable.

**Extension of Benefits for Disability:** *Do benefits continue if The Policy terminates?*

If You are entitled to benefits while Disabled and The Policy terminates, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date We would have ceased to pay benefits had the insurance remained in force.

Termination of The Policy for any reason will have no effect on Our liability under this provision.

**Conversion Right:** *If my coverage under The Policy stops, do I have a right to conversion?*

If Your insurance terminates because:

- 1) Your employment ends for a reason other than Your retirement; or
- 2) You are no longer in an eligible class;

and if:

- 1) You have been continuously insured for at least 12 consecutive month(s) under The Policy or under both The Policy and the Prior Policy;
- 2) a Disability is not preventing You from performing duties of Your Occupation;
- 3) The Policy has not terminated; and
- 4) You are not eligible or covered for similar benefits under another group policy;

then You are eligible to enroll for personal insurance under another group policy called the group long term disability conversion policy.

*How do I convert my coverage?*

To obtain coverage under the group long term disability conversion policy, You must:

- 1) send Us a written enrollment request; and
- 2) pay the required premium and enrollment fee for the conversion policy;

within 31 days of the termination of Your insurance.

If You meet the preceding conditions, We will issue You a certificate of insurance under the group long term disability conversion policy. Such coverage will:

- 1) be issued without Evidence of Insurability;
- 2) be on one of the forms then being issued by Us for conversion purposes; and
- 3) be effective on the day following the date Your insurance under The Policy terminates.

The coverage available under the conversion policy may differ from The Policy. We will determine the terms of the group long term disability conversion policy, including:

- 1) the type and amount of coverage provided; and
- 2) the premium payable;

based on the kinds of insurance provided by the group long term disability conversion policy at the time such enrollment request is made.

## BENEFITS

### **Disability Benefit:** *What are my Disability Benefits under The Policy?*

We will pay You a Monthly Benefit if You:

- 1) become Disabled while insured under The Policy;
- 2) are Disabled throughout the Elimination Period;
- 3) remain Disabled beyond the Elimination Period; and
- 4) submit Proof of Loss to Us.

Benefits accrue as of the first day after the Elimination Period and are paid monthly. However, benefits will not exceed the Maximum Duration of Benefits.

### **Recurrent Disability:** *What happens if I Recover but become Disabled again?*

Periods of Recovery during the Elimination Period will not interrupt the Elimination Period, if the number of days You return to work as an Active Employee are less than one-half (1/2) the number of days of Your Elimination Period.

Any day within such period of Recovery, will not count toward the Elimination Period.

After the Elimination Period, if You return to work as an Active Employee and then become Disabled and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 6 months of the return to work;

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

If You return to work as an Active Employee for 6 months or more, any recurrence of a Disability will be treated as a new Disability. The new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits.

**Period of Disability** means a continuous length of time during which You are Disabled under The Policy.

**Recover or Recovery** means that You are no longer Disabled and have returned to work with the Employer and premiums are being paid for You.

### **Calculation of Monthly Benefit: Return to Work Incentive:** *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, but work while You are Disabled, We will determine Your Monthly Benefit for a period of up to 12 consecutive months as follows:

- 1) multiply Your Pre-disability Earnings by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit. Current Monthly Earnings will not be used to reduce Your Monthly Benefit. However, if the sum of Your Monthly Benefit and Your Current Monthly Earnings exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of excess.

The 12 consecutive month period will start on the last to occur of:

- 1) the day You first start work; or
- 2) the end of the Elimination Period.

If You are Disabled and not receiving benefits under the Return to Work Incentive, We will calculate Your Monthly Benefit as follows:

- 1) multiply Your Monthly Income Loss by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit.

**Calculation of Monthly Benefit:** *What happens if the sum of my Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of my Pre-disability Earnings?*

If the sum of Your Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of the excess. However, Your Monthly Benefit will not be less than the Minimum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.

**Minimum Monthly Benefit:** *Is there a Minimum Monthly Benefit?*

Your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

**Partial Month Payment:** *How is the benefit calculated for a period of less than a month?*

If a Monthly Benefit is payable for a period of less than a month, We will pay 1/30 of the Monthly Benefit for each day You were Disabled.

**Termination of Payment:** *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits Table;
- 8) the date Your Current Monthly Earnings:
  - a) are equal to or greater than 80% of Your Indexed Pre-disability Earnings if You are receiving benefits for being Disabled from Your Occupation; or
  - b) are greater than the lesser of the product of Your Indexed Pre-disability Earnings and the Benefit Percentage or the Maximum Monthly Benefit if You are receiving benefits for being Disabled from Any Occupation;
- 9) the date no further benefits are payable under any provision in The Policy that limits benefit duration; or
- 10) the date You refuse to cooperate with or try:
  - a) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
  - b) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
  - c) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation; or
  - d) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation;

You must participate, cooperate or try programs, modifications, devices or equipment only if Your qualified Physician, or other qualified medical professional, indicates You are able to do so. If there is no such indication, then Your refusal to participate, cooperate with or try programs, modifications, devices and equipment will not result in termination of benefits.

**Cost-Of-Living Adjustment:** *How do my benefits keep pace with inflation?*

We will adjust Your Monthly Benefit for increases in the cost-of-living if:

- 1) You have been Disabled for 12 consecutive month(s); and
- 2) You are receiving benefits; and

3) Your Current Monthly Earnings are less than or equal to 20% of Your Pre-disability Earnings; when the Cost-of-Living Adjustment is made. We make the Cost-of-Living Adjustment each year on January 1st.

*What is the Cost-of-Living Adjustment formula?*

We apply the Cost-of-Living Adjustment formula by multiplying 3% by the Monthly Benefit for Disability being received and adding the resulting amount to Your Monthly Benefit.

*When will the Cost-of-Living Adjustments end?*

You will not receive a Cost-of-Living Adjustment after:

- 1) You cease to be Disabled; or
- 2) You have received 5 adjustments.

Consumer Price Index (CPI-W) means the index for Urban Wage Earners and Clerical Workers published by the United States Department of Labor. It measures on a periodic (usually monthly) basis the change in the cost of typical urban wage earners' and clerical workers' purchase of certain goods and services. If the index is discontinued or changed, We may use another nationally published index that is comparable to the CPI-W.

For the purposes of this benefit, the percentage change in the CPI-W means the difference between the current year's CPI-W as of July 31, and the prior year's CPI-W as of July 31, divided by the prior year's CPI-W.

**Survivor Income Benefit:** *Will my survivors receive a benefit if I die while receiving Disability Benefits?*

If You were receiving a Monthly Benefit at the time of Your death, We will pay a Survivor Income Benefit, when We receive proof satisfactory to Us:

- 1) of Your death; and
- 2) that the person claiming the benefit is entitled to it.

We must receive the satisfactory proof for Survivor Income Benefits within 1 year of the date of Your death.

The Survivor Income Benefit will only be paid:

- 1) to Your Surviving Spouse; or
- 2) if no Surviving Spouse, in equal shares to Your Surviving Children.

If there is no Surviving Spouse or Surviving Children, then no benefit will be paid.

However, We will first apply the Survivor Income Benefit to any overpayment which may exist on Your claim.

If a minor child is entitled to benefits, We may, at Our option, make benefit payments to the person caring for and supporting the child until a legal guardian is appointed.

The Survivor Income Benefit is calculated as 3 times the lesser of:

- 1) Your Monthly Income Loss multiplied by the Benefit Percentage in effect on the date of Your death; or
- 2) The Maximum Monthly Benefit.

**Surviving Spouse** means Your spouse who was not legally separated or divorced from You when You died.

**Surviving Children** means Your unmarried children, step children, legally adopted children who, on the date You die, are primarily dependent on You for support and maintenance and who are under age 25.

The term Surviving Children will also include any other children related to You by blood or marriage and who:

- 1) lived with You in a regular parent-child relationship; and
- 2) were eligible to be claimed as dependents on Your federal income tax return for the last tax year prior to Your death.

**Workplace Modification Benefit:** *Will the Rehabilitation program provide for modifications to my workplace to accommodate my return to work?*

We will reimburse Your Employer for the expense of reasonable Workplace Modifications to accommodate Your Disability and enable You to return to work as an Active Employee. You qualify for this benefit if:

- 1) Your Disability is covered by The Policy;
- 2) the Employer agrees to make modifications to the workplace in order to reasonably accommodate Your return to work and the performance of the Essential Duties of Your job; and
- 3) We approve, in writing, any proposed Workplace Modifications.

Benefits paid for such Workplace Modification shall not exceed \$25,000.

We have the right, at Our expense, to have You examined or evaluated by:

- 1) a Physician or other health care professional; or
  - 2) a vocational expert or rehabilitation specialist;
- of Our choice so that We may evaluate the appropriateness of any proposed modification.

We will reimburse the Employer's costs for approved Workplace Modifications after:

- 1) the proposed modifications made on Your behalf are complete;
- 2) We have been provided written proof of the expenses incurred to provide such modification; and
- 3) You have returned to work as an Active Employee.

**Workplace Modification** means change in Your work environment, or in the way a job is performed, to allow You to perform, while Disabled, the Essential Duties of Your job. Payment of this benefit will not reduce or deny any benefit You are eligible to receive under the terms of The Policy.

## EXCLUSIONS AND LIMITATIONS

**Exclusions:** *What Disabilities are not covered?*

The Policy does not cover, and We will not pay a benefit for, any Disability:

- 1) unless You are under the Regular Care of a Physician;
- 2) that is caused or contributed to by war or act of war, whether declared or not;
- 3) caused by Your commission of or attempt to commit a felony;
- 4) caused or contributed to by Your being engaged in an illegal occupation; or

- 1) was sponsored by Your Employer; and
- 2) was terminated before the Effective Date of The Policy;

no benefits will be payable for the Disability under The Policy.

**Pre-existing Condition Limitation:** *Are benefits limited for Pre-existing Conditions?*

We will not pay any benefit, or any increase in benefits, under The Policy for any Disability that results from, or is caused or contributed to by, a Pre-existing Condition, unless, at the time You become Disabled:

- 1) You have not received Medical Care for the condition for 12 consecutive month(s) while insured under The Policy; or
- 2) You have been continuously insured under The Policy for 24 consecutive month(s).

**Pre-existing Condition** means:

- 1) any accidental bodily injury, sickness, or pregnancy; or
- 2) any manifestations, symptoms, findings, or aggravations related to or resulting from such accidental bodily injury, sickness, or pregnancy;

for which You received Medical Care during the 12 consecutive month period that ends the day before:

- 1) Your effective date of coverage; or
- 2) the effective date of a Change in Coverage.

**Medical Care** is received when a Physician or other health care provider:

- 1) is consulted or gives medical advice; or
- 2) recommends, prescribes, or provides Treatment.

**Treatment** includes but is not limited to:

- 2) use of drugs, medicines, medical services, supplies or equipment.

## GENERAL PROVISIONS

**Notice of Claim:** *When should I notify the Company of a claim?*

You must give Us written notice of a claim within 30 days after Disability or loss occurs. Such notice must include Your name, Your address and the Policy Number.

**Claim Forms:** *Are special forms required to file a claim?*

You will not be required to claim any retirement benefits which You may only get on a reduced basis. All proof submitted must be satisfactory to Us.

**Additional Proof of Loss:** *What Additional Proof of Loss is the Company entitled to?*

To assist Us in determining if You are Disabled, or to determine if You meet any other term or condition of The Policy, We have the right to require You to:

- 1) meet and interview with Our representative; and
- 2) be examined by a Physician, vocational expert, functional expert, or other medical or vocational professional of Our choice.

Any such interview, meeting or examination will be:

- 1) at Our expense; and
- 2) as reasonably required by Us.

Your Additional Proof of Loss must be satisfactory to Us. Unless We determine You have a valid reason for refusal, We may deny, suspend or terminate Your benefits if You refuse to be examined or meet to be interviewed by Our representative.

**Sending Proof of Loss:** *When must Proof of Loss be given?*

Written Proof of Loss must be sent to Us within 90 days following the completion of the Elimination Period. If proof is not given by the time it is due, it will not affect the claim if:

- 1) it was not reasonably possible to give proof within the required time; and
- 2) proof is given as soon as reasonably possible; but
- 3) not later than 1 year after it is due, unless You are not legally competent.

We may request Proof of Loss throughout Your Disability, as reasonably required. In such cases, We must receive the proof within 30 day(s) of the request.

**Claim Payment:** *When are benefit payments issued?*

When We determine that You;

- 1) are Disabled; and

- 2) eligible to receive benefits;

We will pay accrued benefits at the end of each month that You are Disabled. We may, at Our option, make an advance benefit payment based on Our estimated duration of Your Disability. If any payment is due after a claim is terminated, it will be paid as soon as Proof of Loss satisfactory to Us is received.

Benefits may be subject to interest payments as required by applicable law.

**Claims to be Paid:** *To whom will benefits for my claim be paid?*

All payments are payable to You. Any payments owed at Your death may be paid to Your estate. If any payment is owed to:

- 1) Your estate;
- 2) a person who is a minor; or
- 3) a person who is not legally competent;

then We may pay up to \$1,000 to a person who is Related to You and who is entitled to it. Any such payment shall fulfill Our responsibility for the amount paid.

**Claim Denial:** *What notification will I receive if my claim is denied?*

If a claim for benefits is wholly or partly denied, You will be furnished with written notification of the decision. This written notification will:

- 1) give the specific reason(s) for the denial;
- 2) make specific reference to The Policy provisions on which the denial is based;
- 3) provide a description of any additional information necessary to perfect a claim and an explanation of why it is necessary; and
- 4) provide an explanation of the review procedure.

**Claim Appeal:** *What recourse do I have if my claim is denied?*

On any claim, You or Your representative may appeal to Us for a full and fair review. To do so You:

- 1) must request a review upon written application within:
  - a) 180 days of receipt of claim denial if the claim requires Us to make a determination of disability; or
  - b) 60 days of receipt of claim denial if the claim does not require Us to make a determination of disability; and
- 2) may request copies of all documents, records, and other information relevant to Your claim; and
- 3) may submit written comments, documents, records and other information relating to Your claim.

We will respond to You in writing with Our final decision on the claim.

**Social Security:** *When must I apply for Social Security Benefits?*

You must apply for Social Security disability benefits when the length of Your Disability meets the minimum duration required to apply for such benefits. You must apply within 45 days from the date of Our request. If the Social Security Administration denies Your eligibility for benefits, You will be required:

- 1) to follow the process established by the Social Security Administration to reconsider the denial; and
- 2) if denied again, to request a hearing before an Administrative Law Judge of the Office of Hearing and Appeals.

**Plan Offered by a State or Municipal Government:** *When must I apply for benefits under a plan offered by a state or municipal government?*

You must apply for disability benefits under a plan offered by a state or municipal government, such as those offered by a public employee retirement system or state teacher retirement system, when the length of Your Disability meets the minimum duration required to apply for such benefits and You are eligible under the plan. You must apply within 45 days from the date of Our request. If the administrator of that alternative plan denies Your eligibility for benefits, You will be required to follow the process established by the administrator to reconsider the denial.

**Benefit Estimates:** *How does the Company estimate Disability benefits under the United States Social Security Act or an alternative plan offered by a state or municipal government?*

We reserve the right to reduce Your Monthly Benefit by estimating the Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government, that You or Your spouse and children may be eligible to receive.

When We determine that You or Your dependent may be eligible for benefits, We may estimate the amount of these benefits. We may reduce Your Monthly Benefit by the estimated amount.

Your Monthly Benefit will not be reduced by estimated Social Security disability benefits nor disability benefits under an alternative plan offered by a state or municipal government if:

- 1) You apply for Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government if applicable, and pursue all required appeals in accordance with the Social Security and Plan Offered by a State or Municipal Government provisions; and
- 2) You have signed a form authorizing the Social Security Administration, or the administrator of the alternative plan offered by a state or municipal government if applicable, to release information about awards directly to Us; and
- 3) You have signed and returned Our reimbursement agreement, which confirms that You agree to repay all overpayments.

If We have reduced Your Monthly Benefit by an estimated amount and:

- 1) You or Your dependent are later awarded Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government, We will adjust Your Monthly Benefit when We receive proof of the amount awarded, and determine if it was higher or lower than Our estimate; or
- 2) Your application for Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government, has been denied, We will adjust Your Monthly Benefit when You provide Us proof of final denial from which You cannot appeal from an Administrative Law Judge of the Office of Hearing and Appeals, or similar level under an alternative plan offered by a state or municipal government when available.

If Your Social Security benefits or disability benefits under an alternative plan offered by a state or municipal government were lower than We estimated, and We owe You a refund, We will make such refund in a lump sum. If Your Social Security benefits or disability benefits under an alternative plan offered by a state or municipal government were higher than We estimated, and if Your Monthly Benefit has been overpaid, You must make a lump sum refund to Us equal to all overpayments, in accordance with the Overpayment Recovery provision.

**Overpayment:** *When does an overpayment occur?*

An overpayment occurs:

- 1) when We determine that the total amount We have paid in benefits is more than the amount that was due to You under The Policy; or
- 2) when payment is made by Us that should have been made under another group policy.

This includes, but is not limited to, overpayments resulting from:

- 1) retroactive awards received from sources listed in the Other Income Benefits definition;
- 2) failure to report, or late notification to Us of any Other Income Benefit(s) or earned income;
- 3) misstatement;
- 4) fraud; or
- 5) any error We may make.

**Overpayment Recovery:** *How does the Company exercise the right to recover overpayments?*

We have the right to recover from You any amount that We determine to be an overpayment. Such amount will not include payment from settlements that are unrelated to lost income. You have the obligation to refund to Us any such amount. Our rights and Your obligations in this regard may also be set forth in the reimbursement agreement You will be required to sign when You become eligible for benefits under The Policy.

If benefits are overpaid on any claim, You must reimburse Us within 30 days.

If reimbursement is not made in a timely manner, We have the right to:

- 1) recover such overpayments from:
  - a) You;
  - b) any other organization;
  - c) any other insurance company;
  - d) any other person to or for whom payment was made; and
  - e) Your estate;
- 2) reduce or offset against any future benefits payable to You or Your survivors, including the Minimum Monthly Benefit, until full reimbursement is made. Payments may continue when the overpayment has been recovered;
- 3) refer Your unpaid balance to a collection agency; and
- 4) pursue and enforce all legal and equitable rights in court.

**Legal Actions:** *When can legal action be taken against Us?*

Legal action cannot be taken against Us:

- 1) sooner than 60 days after the date Proof of Loss is given; or
- 2) more than 3 years after the date Proof of Loss is required to be given according to the terms of The Policy.

**Insurance Fraud:** *How does the Company deal with fraud?*

Insurance Fraud occurs when You and/or Your Employer provide Us with false information or file a claim for benefits that contains any false, incomplete or misleading information with the intent to injure, defraud or deceive Us. It is a crime if You and/or Your Employer commit Insurance Fraud. We will use all means available to Us to detect, investigate, deter and prosecute those who commit Insurance Fraud. We will pursue all available legal remedies if You and/or Your Employer perpetrate Insurance Fraud during the first two years coverage is in effect.

**Misstatements:** *What happens if facts are misstated?*

If material facts about You were not stated accurately:

- 1) Your premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

No statement made by You relating to Your insurability will be used to contest the insurance for which the statement was made after the insurance has been in force for two years during Your lifetime. In order to be used, the statement must be in writing and signed by You.

All statements made by the Policyholder, the Employer or You under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or Your representative.

**Physical Examinations and Autopsy:** *Will I be examined during the course of my claim?*

While a claim is pending We have the right at Our expense:

- 1) to have the person who has a loss examined by a Physician when and as often as reasonably necessary; and
- 2) to make an autopsy in case of death where it is not forbidden by law.

## DEFINITIONS

**Actively at Work** means at work with the Employer on a day that is one of the Employer's scheduled workdays. On that day, You must be performing for wage or profit all of the regular duties of Your Occupation:

- 1) in the usual way; and
- 2) for Your usual number of hours.

If school is not in session due to normal vacation or school break(s), Actively at Work shall mean You are able to report for work with the Employer, performing all the regular duties of Your Occupation in the usual way for Your usual number of hours as if school was in session.

**Active Employee** means an employee who works for the Employer on a regular basis in the usual course of the Employer's business. This must be at least the number of hours shown in the Schedule of Insurance.

**Any Occupation** means any occupation for which You are qualified by education, training or experience, and that has an earnings potential greater than the lesser of:

- 1) the product of Your Indexed Pre-disability Earnings and the Benefit Percentage; or
- 2) the Maximum Monthly Benefit.

**Current Monthly Earnings** means monthly earnings You receive from:

- 1) Your Employer; and
- 2) other employment;

while You are Disabled.

However, if the other employment is a job You held in addition to Your job with Your Employer, then during any period that You are entitled to benefits for being Disabled from Your Occupation, only the portion of Your earnings that exceeds Your average earnings from the other employer over the 6 month period just before You became Disabled will count as Current Monthly Earnings.

Current Monthly Earnings also includes the pay You could have received for another job or a modified job if:

- 1) such job was offered to You by Your Employer, or another employer, and You refused the offer; and
- 2) the requirements of the position were consistent with:
  - a) Your education, training and experience; and
  - b) Your capabilities as medically substantiated by Your Physician.

**Disability or Disabled** means You are prevented from performing one or more of the Essential Duties of:

- 1) Your Occupation during the Elimination Period;
- 2) Your Occupation, for the 36 months following the Elimination Period, and as a result Your Current Monthly Earnings are less than 80% of Your Indexed Pre-disability Earnings; and
- 3) after that, Any Occupation.

If at the end of the Elimination Period, You are prevented from performing one or more of the Essential Duties of Your Occupation, but Your Current Monthly Earnings are equal to or greater than 80% of Your Pre-disability Earnings, Your Elimination Period will be extended for a total period of 12 months from the original date of Disability, or until such time as Your Current Monthly Earnings are less than 80% of Your Pre-disability Earnings, whichever occurs first. For the purposes of extending Your Elimination Period, Your Current Monthly Earnings will not include the pay You could have received for another job or a modified job if such job was offered to You by Your Employer, or another employer, and You refused the offer.

Your Disability must result from:

- 1) accidental bodily injury;
- 2) sickness; or
- 3) pregnancy.

Your failure to pass a physical examination required to maintain a license to perform the duties of Your Occupation, alone, does not mean that You are Disabled.
