SignUpGenius FAQ

► How do I cancel an appointment I made?

There are a few short steps to canceling an appointment you made.

1. Locate and click on the button that says "Change my sign up".

2. Select the option relevant to you (most often "I signed up without a SignUpGenius account").

3. Enter the information requested (most often "Enter your email address") and submit.

I signed up without a SignUpGenius account

If you signed up without a SignUpGenius account, you have several options for editing your sign up. You

1. [Contact the sign up creator](#) and have him/her update your item for you.

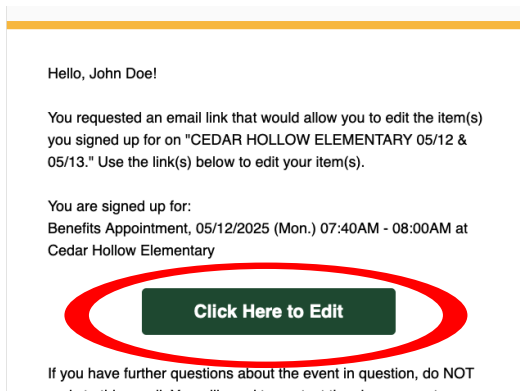

2. [Create an account](#) at SignUpGenius using the same email address that you used when you sign login and edit your item.

3. Send yourself an email link that will allow you to edit your sign up item.

Enter your email address: **Send Me an Email**

☐ Someone else signed me up on this sign up

4. Check your email and click the "Click Here to Edit" button in the message you receive.

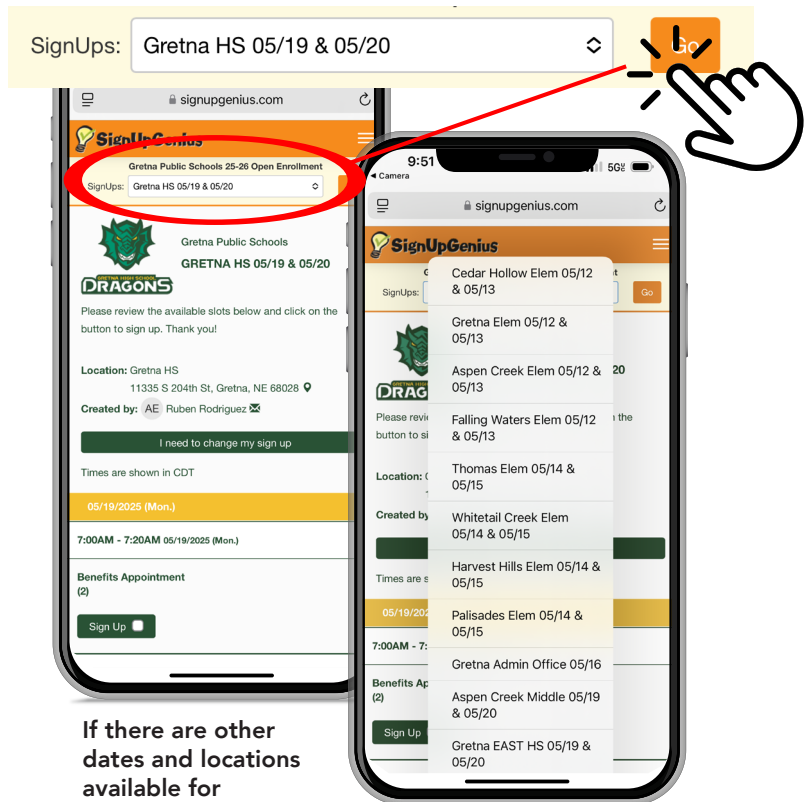

5. This will take you to your sign up screen, where you can select "Delete" to remove the appointment.

By signing up, you agree to the SignUpGenius [Terms of Service](#) and [Privacy Policy](#).

► Where do I find all of the date/location options available when viewing on a mobile device?

If there are other dates and locations available for appointments, you will see a dropdown menu at the top of the screen under the orange SignUpGenius banner.

Clicking on the dropdown menu will allow you to see the complete list of available dates and locations. Select any one to see the sign up slots available for that date/location.

► Where do I find all of the date/location options available when viewing on computer screen?

There is a menu that runs across the top of the screen under the orange SignUpGenius banner. If there are more options than those in the banner menu, you will see "More" buttons on either corner. Clicking on those buttons will open a dropdown menu with more options.
