Getting Started With Your Member Account

Use your member account to easily locate in-network providers, view your benefits and eligibility, view your ID number, download forms, and more.

1

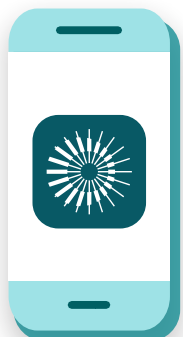

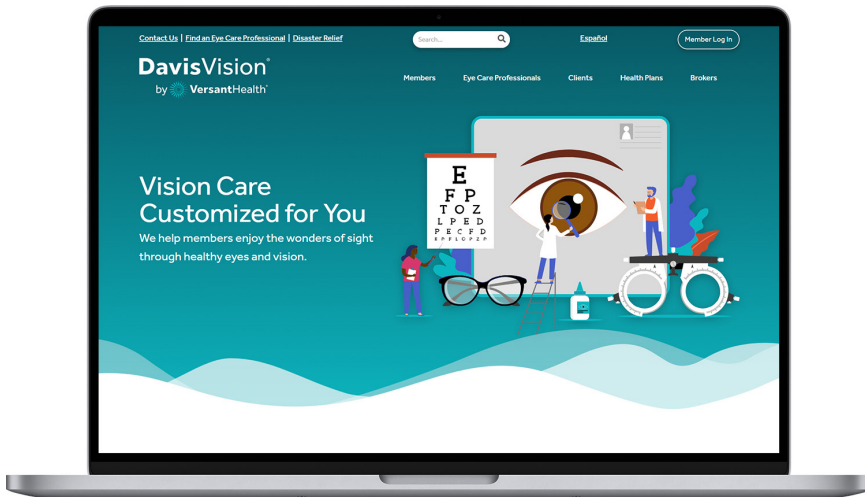

Visit davisvision.com and select "Member Log In" from the top navigation.

2

If you already have an account, enter your username and password. Otherwise, click the "Register new account" link.

3

Enter the ID as outlined in your member welcome kit and create a password.

Download our mobile app and log in using the same credentials from your member account for access to the same features found on our website.
